EXPERIENCE

Canyon Crest Academy Foundation / Robotics Camp Director

Sept 2013 - PRESENT, SAN DIEGO, CA

Created, developed, and ran a summer robotics camp engaging over 300 students in science, technology, and engineering. Hired and oversaw 80 room leaders, volunteers, and participants each week for four consecutive camp sessions. Responsible for curriculum development, logistics, hiring, purchasing, and accounting.

AppThemes / Lead Developer

MAY 2011 - DECEMBER 2015, SAN DIEGO, CA

Designed and developed modular object-oriented components for use across a variety of current and future products. Brought unit testing into company as a way to fight against regression bugs. Collaborated with other developers on product requirements, software architecture, features, and bugs. Worked extensively with the WordPress platform and integrated with several payment processor solutions such as PayPal, Authorize.Net, and Stripe.

Grace Point Church / Honduras Sports Camp Leader

JULY 2014, SAN PEDRO SULA, HONDURAS

Traveled to Honduras and helped an organization called CDI which gives kids a place to play and have fun after school in San Pedro Sula, Honduras. Spent time there playing soccer and all sorts of games with kids as well as teaching them about God. Also rebuilt their bathrooms, gave them new garden beds for growing food, and cleaned up a community park for a soccer tournament.

Canyon Crest Academy Foundation / Vice President of QUEST

MARCH 2011 - JUNE 2016, SAN DIEGO, CA

Serving as a Board Member. Responsible for raising funds for the Engineering and Science departments of the school. Organized several events to engage students in pursuing engineering and technology careers
